

# Databases part 1

Tran Minh Tri, Van Looy Ruben, Van de Staey Zimcke

February 28, 2015

## **0.1 Assumptions**

The tax per port is not multivalued, there is only one taxrate per port (independent from the ship type or other characteristics).

We assume that a ship can't have more than one route simultaneously.

## **0.2 ER-diagram**

Still have to put image here.
